DIGNITY  
EQUALITY

We will be running our Post 18 week for all Year 12 students from Monday 28<sup>th</sup> June 2021 – Friday 2<sup>nd</sup> July 2021. The aim of the week is to equip you with as much information as possible so that you can make an informed choice about your next steps after St Hilda's College. University places and employment opportunities are becoming increasingly competitive and the week will allow you to gain a head start in preparing for your future.

All students must be in college from 08:30 – 14:50 of this week; attendance is compulsory. Full uniform must be worn whilst in college. I have attached a schedule of events to this letter. Registration will take place each day in the hall at 08:35am.

Whilst we recognise that not all students will want to attend university, research and experience shows that many students will look to take up a university place within two years of leaving St Hilda's. The events planned will be useful for all students and include preparing for university, employment and voluntary work as well as apprenticeship opportunities.

Also as part of the programme, I have managed to book Liverpool University to offer a virtual presentation to parents/carers on Tuesday 29<sup>th</sup> June @ 6:00pm. I appreciate that many of you will already know about student finance, but if you would like to join us, can you please email Miss McDonald [smcdonald@st-hildas.co.uk](mailto:smcdonald@st-hildas.co.uk) to confirm you would like a place and we will send out the virtual link.

We have received a lot of support from Liverpool University, local providers and past students to whom we are very grateful. I am looking forward to the week and hope it will help you with your future choices.

Kind regards,

Roy Bellmon  
Deputy Headteacher/Head of College
